

GEN. ALPHA & THE FUTURE

***Do you want to
lead your school
for the next
generation?***

Delivered by AMC
education & brand
strategists, we create an
interactive, live workshop
that enables senior
leaders and teaching staff
to prepare for Gen. Alpha.

Workshop includes:

- Who is Gen. Alpha?
- What do they value, and what concerns them?
- Why should you care?
- How do they learn, & what subjects will they choose?
- How can **your school** be ready for Gen. Alpha?
